

Drawing Down the Star

Betelgeuse

Spring 2018 – [KryptoMagick] (Uvajda) Karl Zander

Drawing Down the Star is a Wiccan Ritual. It is powerful. It can be overwhelming; it is enlightening. It enriches the soul. Drawing Down the Star is a ritual trance; allowing oneself to become sensory aware of the stars and their habits, intentions and force.

Must there always be an order to things? If things transpired for me in one way, in one, order; would that mean the same would work for you? Drawing Down the Star, why you could be doing that right now. Not by reading this text but by your nature. In fact, we all draw stars. We are from them, they are us.

Pain. Suffering. There are always these two. They're friends. Colleagues. They are also great catalysts. Negative fuel is essential in great magical workings it helps one focus, gives drive and motivation; determination.

- How to get started?

1. Know your star, know why
 2. Prepare for the unexpected
 3. Ask yourself what you wish to gain and what you wish to give
 4. Pray to the Goddess you don't lose your mind and grip on reality
